【南港二館1樓】包柱規範說明

Pillar Decoration Guidelines_TaiNEX2 1F

14 April 2025

台北南港展覽館二館1樓 展場攤位臨柱說明與裝潢包柱說明：

1. 柱體長寬各均為1.5公尺
2. 東、西側包柱柱面之裝修材料，必須抬高離地50公分，以不影響柱體下方工作電源為原則，固定包柱裝修材料之角料，則可落於地面。
3. 增設臨時包柱牆面高度不得高於4公尺，如欲高於4公尺須另申請超高建築。
4. 展場既有之柱子牆上不得吊掛、打釘或黏貼海報等裝潢品。
5. 如違反上述及相關規定，將逕予拆除，拆除費用由參展廠商負擔；
如施工內容不符法令規定且未及時改善，致消防單位開立罰單時，該罰款及相關責任概由參展廠商負責。
此外，本館將依裝潢作業規範，對違規之施工單位另處以罰款。

※ 相關規定如有未盡事宜，本會得隨時修訂之。

Construction Guidelines for Pillar Decoration :

If an exhibition booth includes all or part of a pillar, the exhibitor must fill out the Pillar Decoration Application Form along with a booth design blue print (floor and elevation plan) and submit them to the organizer before **July 24, 2025**. Once construction permission is issued, exhibitors may begin to decorate the pillar.

Instructions for decorating pillars:

1. Please send the completed form along with related layout plans to the exhibition organizer via registered mail before **July 24, 2025**. The application will be forwarded to TaiNEX 2 for review.
2. Exhibitor shall proceed construction upon receiving approval. Pillars shall be wrapped in the following manner:
 - (1) The design of furnishing added to the wall surface on the east and west side should be reserved 50 cm from the ground, all furnishing on the pillars shall not block access to any existing electric appliance or fire safety equipment;
 - (2) Temporary wall surface wrapping shall not be over 4 meters in height; if the height exceeds 4 meters, a separate application for excess- height structure shall be filed.

Related decoration will be removed at the cost of the lessee and exhibitor if there is breach against above regulation. If the construction work failed to comply with the fire safety regulations and is not improved promptly, the lessee and exhibitor shall bear any penalty imposed by the fire department. Please refer to “Regulations on Work at Taitra Venues” for related regulation.
